

# Team Building Breakthrough Days

A facilitated team day is an effective, fun and efficient way to build the team, communicate strategy, generate ideas for improvement and enhance performance.

Contact us to co-design an uplifting and valuable away day with measurable outputs and outcomes to move you closer to your organisational and team goals.

Our team days are designed to be inclusive and can be conducted in a variety of indoor spaces from training rooms, boardrooms or more informal settings.

## Some popular activities include:

- Build a Tower
- The Creative Strategy
- The Presentation Game
- Crystal Challenges
- Music Quiz
- Escape Rooms
- Dragon's Lair
- Hired!
- Masterpiece
- Stop Press!

**“ Both informative and fun. Our team were thoroughly engaged in the activities and really enjoyed themselves, as well as learning about each other to aid working together back in the workplace.  
- John, Senior Manager ”**

**“ A thoroughly enjoyable experience getting to know and understand colleagues' behaviour as well as my own.  
- Christine, Senior Business Partner in Healthcare ”**

Team activities can be blended with training and development in core skills, including advanced communication, human factors, improvement techniques, team dynamics, networking, negotiation, personal leadership and more.

**“ Great energy and buzz in the room!  
Awesome team building.  
Many thanks.  
- Chris, Director ”**

**“ First rate. Most fun team building I have ever participated in.  
Thoroughly recommend  
- Mary, Head of Finance ”**

**“ Great session for individuals to work together as a team  
and lots of fun. Would definitely recommend.  
- Julie, Senior Officer ”**
